JEWISH WAR VETERANS OF U.S.A.

TAMPA, FLORIDA

December 23, 2005

To Whom It May Concern:

In 2004, Jewish War Veterans of the U S A, Post 373 Tampa, Florida, accepted Phillip Meskin's invitation to participate with other veteran organizations to collect donations at Tropicana Field for Post projects to help veterans and military personnel. Our Post collected donations about three Sundays in 2004 and about five Sundays in 2005. All the donations we collected were turned over to our Quartermaster for deposit. Post checks for several thousand dollars were issued to "Helping Hands", "Haley House", Student Nursing Scholarship Funds and other needs at the James Haley VA Hospital in Tampa. Several hundred dollars were donated to hurricane relief fund the past two years.

Our Post has never been in the position to help as many causes as we have the past year and a half. Thanks to Mr. Phillip Meskin, our Post is proud to say, that every penny collected, went to a worthy cause.

Sincerely yours,
