

National Order of Trench Rats

TO WHOM IT MAY CONCERN:

I am the Red Eyed Gnarool of Dugout #446, N.O.T.R., Sector of FL.
My appointed duties are those of Secretary, Treasurer.
With other members of Dugout #446 I participated in fundraisers at Devil Ray baseball games at Tropicana field in St. Petersburg, FL. We were there on dates assigned to us by the Veterans Post News. These dates began in 2002 and ended at the last game in 2004. The money was collected by members of Dugout #446, at the end of our collection time the money was turned over to me to be counted by several members. After arriving home I would call the Veterans Post News and announce the dollar count after which I would deposit the money in the dugout's bank account at my earliest convenience.

I cannot stress how grateful our dugout was for the opportunity to participate in these patriotic events. I assure you all of the funds raised were used to support 'Vets Helping Vets' programs. Respectfully submitted
Loretta L. Swindell, P.S.D.R.
